Address: BUNGAY, SUFFOLK, NR352AN, ENGLAND, UK  
Product: STANDARD ELECTRIC WINCH  
Voltage: 12/24 volt  
Models: WM13500, WM13500MIL, WM17000, WM20000  
Trade Mark: WINCHMAX

The submitted products have been tested by us and found in compliance with the following European Directives

**2006/42/EC 2014/30/EU 2014/35/EU**

The following EU Standards were observed.

**EN ISO 12100:2010, EN 60204-1:2018, EN ISO 13732-1:2008, EN 50498:2010**

The tests were performed in normal operation mode. The test results apply only to the particular sample tested and to the specific tests carried out. This certificate applies specifically to the sample investigated in our test reference number only.

The CE markings as show below can be affixed on the product after preparation of necessary technical documentation.
