The submitted products have been tested by us with the listed standard and found in compliance with the following European Directive and United Nations Certificate.

**LVD 2014-35-UE. RoHS 2011/65/CE
3A1/X/250/yy/CN/DS CCSSH011-08**

The tests were performed in normal operation made. The test results apply only to the particular sample tested and to the specific tests carried out. This certificate applies specifically to the sample investigated in our test reference number only.

The CE and UN markings as shown below can be affixed on the product after preparation of necessary technical documentation.

Director
WINCHMAX Ltd.

The logo for Winchmax UK is a circular emblem. It features the text 'WINCHMAX UK' at the top and 'THE POWER' at the bottom. In the center, there are three interlocking gears.
